Congress of the World European Studies Association

We would like to present the results of the participation of UESA President, prof. Roman Petrov, in the annual meeting of presidents of national European studies associations, which took place on 23 November in Brussels. Presidents of 56 national associations took part, from different countries and continents from Latin America to New Zealand. A new ECSA-World President was elected, Jean Monnet Chair Enrique Banús from Spain. [Read more \(ukr\) »](#)

UESA invites professors and researchers to cooperation

Ukrainian European Studies Association invites researchers and professors of European integration from the regions of Ukraine to partnership, membership in the Association and participation in its projects, expert and research work. Membership conditions are transparent, while paying any fees is voluntary, according to the General Meeting's decision. [Read more \(ukr\) »](#)

Eurogroup supported the package to stimulate economy

Ministers of finance of the Eurozone supported the proposal of the European Commission on stimulation of the economy, however, did not reach agreement on the size. This was announced late in the afternoon on 1 December by Luxembourg's minister of finance Jean Claude Juncker. [Read more \(ukr\) »](#)

Commission offered the plan on overcoming the economic crisis

Budget support and fiscal measures amounting to 200 billion Euro will be involved by the European Community to fight the tendencies of slowing economic development, caused primarily by the global financial and economic crisis. [Read more \(ukr\) »](#)

EC wants to make Eastern neighbors closer, but prefers Russia

European Commission proposes to recognize the European ambitions of Eastern neighboring countries, leaving the preferential status for Russia. This is reflected in the recent communication of the European Commission to the European Parliament and the Council of the European Union on the Eastern Partnership. [Read more \(ukr\) »](#)
